

REMARKS

Favorable reconsideration of this application is respectfully requested.

Claims 1-19 are pending in this application. Claims 5-19 are allowed. Claims 1-4 were rejected under 35 U.S.C. § 112, second paragraph.

Initially applicants gratefully acknowledged the indication of the allowance of claims 5-19.

Addressing now the rejection of claims 1-4 under 35 U.S.C. § 112, second paragraph, those claims are amended to address that rejection.

Each of claims 1 and 3 is herein amended to delete the phrase “defined by an outside diameter of 0.1 mm-20 mm”, to clarify that language and as suggested in the Office Action.

Each of claims 1 and 3 is also amended to recite a “high frequency transmission line” at the last line, as suggested in the Office Action.

The presently submitted amendments are believed to address the rejection of Claims 1-4 under 35 U.S.C. § 112, second paragraph.

As no other issues are pending in this application, it is respectfully submitted the present application is in condition for allowance, and it is hereby respectfully requested that this case be passed to issue.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, L.L.P.
